## Our Values

At Wincle CE Primary School, everything we do is underpinned by the Christian Values.

Christian values are elements of our life that we find to be most important as individuals and as a community. They influence our behaviour and our motives and help us to understand how we should live our lives at school and in the wider community. The school's values are rooted in the life and teaching of Jesus Christ and are distinctively Christian.

Christian Values such as:

***Compassion, Courage, Trust, Forgiveness, Friendship, Thankfulness, Wisdom, Peace, Generosity, Creativity, Service, Truthfulness, Respect, Perseverance, Hope, Humility, Justice, Responsibility***

In September 2017, the school's Ethos Committee will be working with the school community to decide on the school's three core Christian values. These values will be displayed in every classroom and corridor and they will help to guide the whole school community. More information coming soon.

Each term we focus on one of the above values and share this focus with the whole school community. Through these values, daily acts of collective worship are planned to give everyone a variety of experiences to develop spirituality through reflection, as well as an understanding of Christianity and aspects of other faiths and cultures.

At the beginning of each year, the pupils sign a home-school agreement to confirm that they support the Christian ethos of the school and will live out the Christian values in all that they do as a child of God. Each parent also signs to confirm their support and understanding towards the Christian ethos of the school.
